

Parents and students,

Staff Appreciation week is next week. We would like to decorate the hallways with special thoughts from the students. Below are ideas for crafts, a collage, or a special letter. Feel free to come up with your own ideas as well. Both the children and staff love to view the items in the halls. Please send into school your items by May 3<sup>rd</sup>.

A collage for teacher/staff appreciation is a great way to remember all of those who work at the school.
